Mr. G. G. Hankla

Dear Uncle Pree

Your kind letter last night was glad
to hear from you all many thanks
for ~~your~~ trouble you have been to
for one I wrote to you quite away after
I got the money but suppose from your
letter you did not get mine
We are having a very cold dry winter
the farmers think there is poor
prospect for crops this year times
are rather hard here now.

There is a good deal of sickness
this winter the diphtheria is very bad
in Santa Rosa We were at a Sunday
school concert last night it was
very nice the Church was so
crowded that some had to leave.

Bertie & I were out on the coast
last November ~~and~~ I think the Ocean
the grandest sight I ever seen
but I don't think I would like to
be out on it I like to ride on the
bay. How is Aunt Sammie's
health how I wish I could see
you all I had a letter from the
Robert last week they were all
well he sent me his picture he
he is a very stout healthy looking
man Newton is still in Oregon
Walt Ramey is still working for
the Rail Road Co. We are all
well but my throat the Dr
thinks he will get that cured
in a few more months so
this has been a splendid winter
for it well I must stop as my
letter won't get to the office in
time to go out this evening
Bertie says tell Aunt Sammie
that he is going to mail this and

When he is a man he is coming
to see her how I wish she could
see my boy I know she would
love him he is so quiet and
good write soon Our love to
you both and all that ask about us
Your affecⁿ of A. Ramey
