Dear Cousin

your favour recd.

I am glad you have moved
I now hope Cousin Baum & Co
will improve fast. you have
got a good plan, and you
will find that, as fast as you
can make money to pay for it
you can buy lands adjoing.

I would copy the deed
exactly, made by me and send
it to Weller King and let
him sign it, and then on
its delivery pay the money.
do not pay until you
get the deed -

Judge Osborne sent me check
for the money \$1084.⁵⁰ so all
is right. Give my love
to all -

Your Cousin

Dr Sir your letter
of Oct 29th to hand.

I know nothing about the
mortgage from Bottom to me
& W. A. King. (He ^{King} has been
dead about two years -)

I have read nothing and
about to whom he paid
the money. I have not
read any - who acted for
me perhaps did -

The long lapse of time I
would think on personal property
would be sufficient -

Yours Truly
