Dear Sir I Received  
your letter last Saturday got your  
check all right - I went to  
Quinnell yesterday and got it  
Cashed You asked me about  
the land of Great Grand Father  
I have never heard of it before  
and as far that Hot Springs County  
you cant tell any thing about it  
I dont think it ever will be  
settled I wrote to Pappa the  
other day to fix up the papers for  
the children I am 50 miles from  
them and cant get to them at  
this time a year I am on the  
Miss River I suppose he will  
attend to it I will write to  
Mr Brady soon as you seem to

Want Jim to have the control of  
the land and he can do as he thinks  
best - as I have no news to write  
I will close by asking you to  
Respond soon as ever your friend

J. J. Williams  
Give my love to all I am  
Very well this morning  
Jim
