Cousin I take my pen
and to write you
a few lines to let you
know that my self and
family is all well our
mother is all well the
two of them had to move
out and leave their homes
at the time of the high water
I have not got back yet
the grain is scarce and worth \$1.

Per Bushel W

I went to H. Powell on the
21st of January to visit law
and pay the last years tax
and report to me the report
has not come yet I want you
to go to Mr Powell and write to
see if any body wants to buy
and let me know it yours with respect
