Mr L. G. Hawke

Pennsylvania Pa.

Dear your favor
of 14th recd. and contain fully
noted also your "postscript," in which
you say you will put the money
in the Central Bank.

I have written to Judge
Dunkham to make up the deed
from the notes for my undivided
half and send to me and
I will acknowledge and return
the deed to him & you can
pay him the money and
get the deed on 1st Jan'y 1882.
I could make up the deed
him but want him to make
it from the record!

So you can consider this a
trade for my part.

you said
nothing about the rent my part
which I wrote to you to collect
from Mr Bottom and said to me
instead of paying it over to
Aloy - This I want you
to be sure and do -

you move into the house
as soon as you can get the
possession from Bottom and
if you and Willie King
cannot trade you can
rent his part from him
this will make you a
new home and I rather
you and Stanner would
have it than any of my
relatives, Give my love
to Stanner & so -

Yours truly

B. Williams
